

# Michael Guidera

Full Stack Software Engineer

---

567-371-2329 | mguidera314@gmail.com | Vaughnsville, Ohio | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

---

## TECHNICAL SKILLS

---

React.js, React Native, Redux-Redux, JavaScript, Python, Flask, HTML, CSS

## PROJECTS

---

### Shinano

[Live](#) | [GitHub Repo](#)

- Implemented create, read, update, and destroy (CRUD) for products and a cart for an ecommerce clone.
- Built and executed a Python-Flask backend and a React-Redux frontend code structure along with the visual design of the website.

### Query

[Live](#) | [GitHub Repo](#)

- Produced a Quora clone while working closely within a 4 person team.
- Structured with a Python-Flask backend and a React-Redux frontend while successfully meeting deadline goals.

### AdventureUp

[Live](#) | [GitHub Repo](#)

- Designed CRUD for groups and events.
- Developed a React-Redux frontend paired with an Express/Sequelize backend, debugging and problem solving while under a deadline.

## EXPERIENCE

---

### eCommerce Specialist

Saint Marys, OH

*The Concrete Protector*

March 2021 - Present

- Responsible for managing The Concrete Protector's Amazon account and online store.
- Provided timely shipping cost estimates to the Sales Representatives upon request.
- Regularly and closely communicated with the Sales Representatives and the Shipping/Inventory department.
- Engaged with clients and potential customers through our phones and online chat platforms.

### Library Assistant

Ada, OH

*Ohio Northern University Law Library*

Oct. 2018 – March 2021

- Worked extensively with library patrons and consistently provided them with excellent customer service. Helping them with their requests in a pleasant and personable manner.
- Have been involved in multiple different aspects of the law library including: reliably opening the library during the week, scheduling and managing student workers, positioned at the circulation desk as the first contact for patrons, assisted in preparing invoices, helping with events during the week, and working closely with the library director.
- Moved from a part-time weekend position in Oct. 2018 to full time position in Aug. 2019.

### Summer Camp Counselor

Lima, OH

*YMCA*

Summers 2014 – 2018

- Responsible for supervising the daily activities of the camp and for implementing the weekly themes and schedules.
- Collaborated with other counselors to ensure that the camp was an engaging and vibrant experience.
